# Consent to Treat

- Updated to Include Treatment of COVID-19

you object to being included in this directory. The information will be available to members of the clergy and to anyone who asks for you by name. If you tell us that you do not wish to be included in the directory, we will not tell visitors or callers that you are here. It will be up to you to notify family, friends, and spiritual counselors of your condition and location.

- Notification - We may use or disclose information to notify or help a family member, personal representative, or other person involved in your care, of your location and general condition.
- Communication - Health professionals, using their best judgment, may disclose to a family member, other relative, friend, or any other person you identify, health information relevant to that persons involvement in your care or payment for care.
- Other Contacts - We may contact you to provide appointment reminders, information about treatment alternatives, or other health-related benefits and services that may be of interest to you.
- Other Uses and Disclosures - Other uses and disclosures besides those identified in this Notice will be made only with your written authorization which you may revoke at any time in writing, unless we have already taken action in reliance on your authorization. Specifically, we must have your written authorization to use or disclose psychotherapy notes except as permitted or required by law and personal information for marketing purposes, in most instances. In addition, we cannot sell your personal information unless we have your written authorization which must state that the disclosure of the information will result in remuneration to us.

#### **Coronavirus/COVID-19**

- If you become COVID positive or PUI, you agree to and accept the exclusive management and treatment as provided by our team of providers specifically dedicated to this condition.

#### **FOR MORE INFORMATION OR TO REPORT A PROBLEM**

We have established policies and procedures to ensure protection of our patients' privacy rights, to report a problem, exercise the rights listed above, or to obtain more information on any matter covered in this Notice, please contact

# COVID 19 Resources

## Command Center

541-3134

For **Jefferson Regional Employees** regarding COVID-19 patients

Command Center staff are available to help with supporting staff managing patients at this time.

## Resource Line

541-4911

For **Community Members** needing screening and/ or testing

Nurses will screen them over the phone and determine if they need to be scheduled at the Drive through testing site (Urgent Care)

## Employee Health

540-7684

For **Jefferson Regional Employees** needing screening and/ or testing.

Employee Health Nurse will screen them over the phone and determine if they need to be tested, work status, and educate them.

**DO NOT SEND** Employees to Employee Health. Have them call the number and they will direct them on what to do.

# Screening Update

When someone arrives to the screening table:

- Determine if they are an Employee or Visitor
- **If they are an Employee**
  - Scan their badge and enter the answers to the screening questions and the temperature
  - If they have a temperature GREATER than 100.4
    - DO NOT ALLOW THEM TO ENTER THE BUILDING
    - Send them back to their vehicle and ask them to contact the Command Center at 541-3134 for further instructions and notify their manager immediately.
    - The command center will screen the employee further and determine what steps need to be taken for testing.
  - If they have a negative screen allow them to enter and use hand sanitizer provided.
  - DO NOT give them a mask at the door. They will receive their mask on the unit.
  - Provide a sticker dated with today's date for any employee leaving and reentering the building.
- **If they are a Visitor**
  - Visitors coming to see an inpatient are encouraged to enter through the Front Lobby Entrance so we can monitor visitors.
  - **DO NOT ALLOW visitors with ANY symptoms to enter the building.** If they get upset or ask questions you are not comfortable with, please refer them to the resource line at 541-4911.
  - If they have a negative screen, record their name, the patient they are visiting, and their phone number should we need to contact them in the future
  - Provide a visitor card.

# Visitor Update

## Most Up to Date Visitor Policy:

- ONE (1) VISITOR per day, non-transferable
- NO VISITORS when on special isolation precautions or in the areas of ICU, CCU, 2CE, 3CE
- TWO (2) VISITORS per day, non-transferable, in Labor and Delivery and 2NW.

## A VISITOR MUST:

- enter through the Main Entrance on 40th Avenue
- remain in the patient room throughout the day. If leaving the building, the visitor will not be allowed to re-enter until the next day
- be 15 years or older.
- adhere to the visiting hours of 7am – 7pm. Overnight guests are required to stay in the patient's room.
- Hospice and end of life circumstances will be handled on a case-by-case basis by Administration and hospital security.
- **If an exception is needed for ANY VISITATION TO CLOSED UNITS (ICU, 2CE, 3CE):**
- **NEEDS TO BE APPROVED by calling Michelle Powell in the Command Center at (3134) or by contacting PBX (7911).**

**If you have any questions, please contact Command Center at 541-3134 for directions**

# Intensivist Update

Dr. Mohamad provided Critical Care Treatment updates to the Medical Staff regarding management of COVID-19 patients in our Intensive Care Unit.

# Nursing Home Update

Jefferson Regional hosted a call to update the area Nursing Homes and make plans for ongoing management of COVID- 19 patients.

# L&D Update

- Labor and Delivery leadership provided a plan to the Command Center.
- This unit is prepared for a positive or suspected OB COVID-19 patient.
