

# COVID 19 Morning Update

**Jefferson Regional** Medical Center

# COVID Statistics

(E. Bolton)

- **Arkansas**
  - 449 positives
  
- **Jefferson Regional**
  - 9 in house

# Resource Line Statistics

(A. Harvey)

- Saturday 03/28—5
- Sunday 03/29—10
- As of right now no appointments scheduled for today.
- When submitting names for Resource Line workers, please note they will need the following:
  - Access to email- This must be checked frequently as it is the main mode of communication for updates and changes. The call log must also be emailed to the Command Center at the end of every shift.
  - Access to a computer to type call log- A template is sent in both Microsoft Excel and Word. Screeners may type in either version.
  - Reliable phone service- All employees working the 8-5 shifts need to have a place in the hospital to answer calls. They should be in some type of office setting with access to a computer. Night shifts may have the calls forwarded to their cell phone.
  - Must be clinically trained as RN or LPN. Other clinicians may be approved on a case-by-case basis by the Command Center.
- If you feel any of the employees you have signed up cannot fulfill any of the requirements, please let me know so we can replace them on the line.

# Closed Unit Statistics

(M. Powell)

- SICU
  - SICU 6 pts on exposed side
