## Screening Employees and Visitors

1. When someone arrives to the screening table
2. Determine if they are an Employee or Visitor
- 3. If they are an Employee**
  - a. Scan their badge and enter the answers to the screening questions and the temperature
  - b. If they have a temperature GREATER than 100.4
    - i. DO NOT ALLOW THEM TO ENTER THE BUILDING
    - ii. Send them back to their vehicle and ask them to contact the Command Center at 541-3134 for further instructions and notify their manager immediately.
    - iii. The command center will screen the employee further and determine what steps need to be taken for testing.
