3. Please be reminded that all non-nursing units should be responding to the daily Staffing Adequacy Report.

4. Communication will be re-delivered to instruct screeners to issue mask to all patients entering the buildings. We had a patient make it to one of the clinics that was not given a mask.

5. Employees should be wearing mask at all times. If their masks are not soiled or damaged, they can reuse their mask. If they are soiled or damaged, they can get a new mask upon re-entry to the hospital/clinic at the screening stations.

Building a Wall of Encouragement

Everyone at Jefferson Regional is doing a tremendous job these days, even with the additional pressure of COVID-19. However, we could all use a little extra positivity now and then, so we're planning to install a **Wall of Encouragement** in the lobby of the 42nd Avenue employee entrance. This will be a place to post uplifting messages to and from our employees, highlighting their positive actions and attitude. Then, as employees come to work and go home, they can stop for a minute and read all the wonderful comments.

There are several ways you can take part. Post your comment on our Facebook or Instagram page, or email them to talbotw@jrmc.org. We'll have them up soon so everyone can see!
